WEBSITE: [HTTPS://WWW.LIAISONBANK.COM](https://www.liaisonbank.com)

Liaison Bank

An integrated liaisoning and compliance facilitation firm enabling smooth project execution across regulatory frameworks.

- Government liaisoning & statutory compliance support
- End-to-end approval facilitation
- Mumbai-based with strong MMR presence

Company Evolution

A steady transition from consultancy to an integrated service organisation.

- 2007 – Individual consultancy founded by Mr Mahadev Biradar (Deva)
- 2017 – Registered as DBRE India
- 2019 – Registered as DBRE India Pvt. Ltd.
- 2023 – Relunched as Liaison Bank

Our Story

Built on experience, scale, and execution reliability.

- 18+ years of operational experience
- Team strength of 82+ professionals
- Strong presence across Mumbai with headquarters in Mumbai

Integrated Service Capabilities

- Over 18 years of hands-on experience in licensing, liaising, and statutory compliance
- Evolved into a fully integrated service organisation offering end-to-end solutions
- Strong execution capability backed by regulatory knowledge
- High reliability in compliance delivery across project lifecycles

Core Focus Industries

- Food & Beverage establishments including restaurants, cloud kitchens, and food manufacturers
- Hospitals, healthcare centres, and diagnostic facilities
- Laundry and commercial utility service providers
- Energy sector projects with specific expertise as an authorised Mahanagar Gas Ltd vendor
- Businesses requiring recurring statutory and operational compliance

In-House Expertise & Service Expansion

- Initial core focus on licensing and liaisons services
- Strategic expansion into PNG services to support energy compliance requirements
- Addition of Fire & Safety (FSS) services to meet critical safety regulations
- Inclusion of Electrical and Civil services to reduce dependency on third-party vendors
- Formation of licensed in-house teams to ensure better control over timelines and quality
- Possession of PPL license to support Public Performance Licensing requirements

Expansion Plans (April 2026)

- Introduction of Annual Maintenance Contract (AMC) services for long-term client support
- Launch of an in-house Food Audit Laboratory to strengthen food safety compliance
- Establishment of Equipment Solution Department (ESD) for integrated equipment support
- Expansion aligned with long-term growth and service diversification strategy

Fire Safety Capabilities

- Comprehensive fire safety solutions from concept to commissioning
- Design of fire safety systems as per project requirements
- Supply and installation using approved materials and standards
- Testing, commissioning, and handover with compliance documentation
- Ongoing maintenance and AMC services for operational continuity

Fire Systems & Services

- Fire Fighting Systems for industrial and commercial facilities
- Fire Alarm and Detection Systems for early risk identification
- Hydrant and Hose Reel Systems
- Automatic Sprinkler Systems
- Portable and Fixed Fire Extinguishers
- Fire Tubing Systems
- Operation, Maintenance, and AMC services

Our Strengths

- Highly skilled and certified engineering and compliance teams
- Strong understanding of statutory and fire safety regulations
- Consistent on-time project execution
- High-quality workmanship across services
- Robust after-sales service and maintenance support
- Proven delivery record with reputed clients and developers

Industries Served

- Commercial and residential real estate developments
- Industrial plants and warehousing facilities
- Oil and gas installations
- Power plants and utility infrastructure
- Hospitals and healthcare institutions
- IT parks and data centres
- Hotels, malls, and educational institutions

Standards & Compliance

- Compliance with National Building Code (NBC) requirements
- Adherence to NFPA standards
- Alignment with local fire authority norms
- Execution as per IS, UL, and FM standards
- ISO-certified organisation reflecting quality management excellence

Diversified Service Portfolio
